Summative Discussion Board

Review and reflect on the knowledge you have gained from this course. Based on your review and reflection, write at least 3 paragraphs on the following:

- What were the most compelling topics learned in this course?
- How did participating in discussions help your understanding of the subject matter? Is anything still unclear that could be clarified?
- What approaches could have yielded additional valuable information?
- The main post should include at least 1 reference to research sources, and all sources should be cited using APA format.

Responses to Other Students: Respond to at least 1 of your fellow classmates with at least a 100-word reply about his or her Primary Task Response regarding items you found to be compelling and enlightening. To help you with your discussion, please consider the following questions:

- What did you learn from your classmate's posting?
- What additional questions do you have after reading the posting?
- What clarification do you need regarding the posting?
- What differences or similarities do you see between your posting and other classmates' postings?

For assistance with your assignment, please use your text, Web resources, and all course materials.
